Properties:	AKEMI® Urine Scale and Limescale Remover is a cleaning concentrate dilutable with water based on inorganic acids with non-ionic surfactants. The surfactants contained are biodegradable in correspondence with the legal regulations for surfactants. The product does not contain hydrochloric acid.								
Application Area:	AKEMI® Urine Scale and Limescale Remover removes urine scale, limestone scale stubborn soap residues and similar on all acid-resistant surfaces. The product is suited for an efficient cleaning of floors, walls and other sanitary surfaces as for example taps, toilets, urinals or bidets.								
Instructions for Use:	<ol style="list-style-type: none">1. Apply undiluted or dilute with water up to a ratio of 1:5 (e.g. 100 ml of remover to 500 ml of water).2. Spray or apply the product pure or diluted with water with a sponge, cloth or a mop.3. Allow the product to work for approx. 10 minutes; use a brush or scrubber, if necessary. Thoroughly rinse with clear water afterwards.4. If necessary repeat the cleaning process.								
Special Notes:	<ul style="list-style-type: none">- Do not mix with products based on chlorine bleaches, e.g. AKEMI® Algae and Moss Remover POWER or use them at the same time.- The product corrodes calcareous stones and must therefore in no case be applied on polished marble, limestone, terrazzo, eloxal and enamel. If in doubt, test on an inconspicuous area.- Thoroughly remove any splashes or drops on acid-sensitive surfaces with clear water immediately.- Do not allow contact with plants, otherwise rinse immediately with water. Concentrated and diluted solutions must not be emptied in plantations.- Some stones may become slightly dark upon long contact with AKEMI® Urine scale and Limescale Remover. They will usually retain their original colour after a repeated intensive cleaning with plenty of water mixed with few AKEMI® Stone Cleaner.- For proper waste disposal, the container must be completely emptied.- Recycling in accordance with the guidelines of EU Decision 97/129 EC on the Packaging Directive 94/62/EC.
